

You want to speak German with native speakers? We can help you!

Volunteers can speak German with you on the phone once or twice a week for 30 to 45 minutes to practice your language. (For this you will need a mobile phone.)

Please keep in mind: The appointments made with the volunteers must be kept!

Get in touch with me with some information about yourself and your knowledge of German.

It may take a little time, but I will surely find someone for you.
